Other

We rely entirely on the generosity of people like you to continue rescuing, rehabilitating, and rehoming animals in need. We receive no government funding, meaning every animal we care for is supported purely through donations, fundraising efforts, and the kindness of our community. That's why fundraising is so important – every cake sale, sponsored walk, or charity event helps provide food, shelter, and medical care for the animals that need us most.

DECIDE ON YOUR FUNDRAISER

Deciding on your fundraiser can be tricky, but don't worry—we're here to help! With so many fun and creative ways to raise money, it's all about finding something that suits you. Whether you prefer hosting an event, taking on a challenge, or getting your workplace or school involved, the ideas below might just inspire the perfect fundraiser for you.

TOMBOLAS

A tombola is a simple yet fun way to raise funds! All you need is a collection of donated prizes, big or small, and a set of numbered tickets. Supporters purchase a ticket, and if their number matches a prize, they win! Whether you run a teddy tombola, chocolate tombola, bottle tombola or an assortments tombola, it's a fantastic way to encourage donations.

CAKE SALE

A cake sale is a sweet and simple way to raise money! Whether you're a star baker or just love a good treat, selling homemade (or shop-bought) cakes is a guaranteed crowd-pleaser. Set up a stall at your workplace, school, or local event and invite people to indulge while supporting a great cause.

SPONSORED WALK

Get moving for Thornberry! Walk, run, or cycle while raising funds—bring your dog along for extra fun!

RAFFLES

Sell tickets for the chance to win great prizes. Ask local businesses to donate and make it a big success!

CAR BOOT SALE

Declutter and raise money at the same time! Sell unwanted items at a car boot sale and donate the profits.

EXTREME CHALLENGE EVENTS

Take on a challenge to push yourself while supporting Thornberry! Whether it's a marathon, skydiving, or a tough mud run, set a goal, get sponsored, and make a real difference. Big or small, every challenge helps change lives!

HOW TO START

1

CHOOSE YOUR FUNDRAISER

Decide what type of fundraiser you'd like to organise! Whether it's a sponsored walk, a bake sale, or a fun quiz night, choose an activity that excites you and will be enjoyable for your supporters. You can also consider seasonal events or group challenges to make it extra fun!

2

PICK A DATE, TIME, AND PLACE

Now it's time to get practical! Pick a date and time that works for you and your participants. If your event is in-person, choose a location that's accessible and suitable for the activity. Make sure to give yourself enough time to organise everything and get the word out!

3

SET YOUR TARGET

Think about how much you want to raise and set a fundraising goal. This will give your supporters something to aim for and motivate them to get involved. Don't forget to set a realistic target that will inspire others to help you reach it!

4

SET UP YOUR JUSTGIVING PAGE

Create a JustGiving page to make it easy for people to donate online. Share your page link with friends, family, and supporters so they can contribute no matter where they are. It's a simple and secure way to raise funds for a great cause.

5

TELL US ABOUT THE EVENT & SHARE ON SOCIALS

Once everything is set up, let everyone know! Share details of your fundraiser on social media and encourage your followers to spread the word. The more people who know about your event, the more donations you'll be able to raise! And don't forget to tag Thornberry Animal Sanctuary so we can share it on our page too!

LET'S KEEP THINGS LEGAL

DO'S

- Do get permission if your event is in a public place, from local authorities or property owners.
- Do ensure parental consent if children are involved in your fundraiser.
- Do check licensing requirements with your local council if needed (e.g., for raffles or alcohol).

- Do keep records of all fundraising activities and donations.
- Do ensure first aid is available for larger or physical events.
- Do have public liability insurance if your event involves the public.
- Do always ask for consent before taking or sharing photos, especially of children.

DON'T'S

- Don't collect funds without permission from Thornberry—contact us for guidance and materials.
- Don't forget about safety—assess any potential risks at your event.
- Don't involve children in activities like raffles, house-to-house collections, or alcohol-related events without adult supervision.
- Don't pressure people to donate—always respect others' decisions and ensure donations are made voluntarily.
- Don't handle money alone—ensure someone else is present when counting funds.
- Don't forget to consider vulnerable individuals—always make sure donations are made by informed and willing participants.
